ANALYSIS: (Attach a separate page if necessary)

At this time the Department is unable to determine the fiscal impact of maintaining a Veterans' Cemetery in Fairbanks, Alaska. Further information, such as the location of where the cemetery will be, the size of the cemetery, the amount that would be developed each year from inception, the approximate number of plots per year used, the size of cremains section if one will be included, how many structures built, etc. This is all necessary in order to calculate annual supplies, equipment, personal services, and other maintenance costs.
